About This Game

Prepare yourself for ZombieZoid - Zenith!

While the lovers were chatting on the Internet, the news reported that a terrible virus was infecting people in town and turning them into zombies hungry for brains. Now, this young boy will venture through the streets filled with undeads to reach the house of his girlfriend before the worst happens.

As Arthur, prove you are brave and confront the danger that you find ahead.

Your adventure begins at home that was invaded by kids zombies from the neighborhood. You will need to knock out everyone to protect the grandpa that is resting in the attic.

Those kids zombies are the most agile of all, therefore you need to be skillful to defeat them before they try to bite you from behind.

For twelve levels you will face strong enemies in unusual and comic situations.

The Tasmania Spin

An air vortex will be created around Arthur and will hit at every zombie that try to get close to you

Rush Hour

Using energies from the future, Arthur receive a big power and conjure the Rush Hour, pushing all the zombies in front of him and leaving a large trail of fire.

The Juggernaut's Jump

The elements around you conjure one of the strongest powers of Arthur. With this jump you can knock out many zombies around you and get out of the problems quickly.

Judith, the Maid

Be careful, she's very angry! She wants a pay raise and the most she's got was having to clean up windows, now all she sees ahead she throws at someone. But she gets tired, enjoy this moment and send her to the dream world!

Benedict, The Cursed Popcorn Seller

All of the children become zombies and they don't want to eat popcorn anymore, just brains. Benedict is very angry. Be careful, because he's fast and hits running.

Father Damien

Father Damien is very angry because all the faithful are gone and now everybody only think about brains. Be careful whit his spin, it can hurt a lot and mess up the whole sacristy.

Bope, Knife in Skull

All the prisoners were cursed and were transformed into skulls. Be careful with fire invoked from the depths of evil. Water attacks can help you.

General Bielek Mole

The General is trying to organize all this mess but the zombies are very messy, it gets him very angry. Be careful not to be caught off guard when he digs.

Mack, The Lumberjack

The forest is a mess because of these zombies, let alone all the soldiers. Mack is very strong and can finish you in a few strokes. His leap is so strong that can even topple trees.

Otto, The Crazy Driver

There is an accident on the road and Otto is trying to help the passengers zombies to get out. He said that nobody can pass over here. He's throwing tires to stop anyone that tries to pass.

The Mother in Law

The Arthur's mother in law is unhappy, because it seems that every zombie from the city decided to invade her house. Be careful because she's dominated and she can transform herself into multiple enemies.

Through the course of the game Arthur may collect many weapons like the powerful baseball bat that is his faithful companion; many type of water pistols, bottles of holy water and even popcorn to trick the most stupid zombies.

Baseball Bat

Faithful companion of Arthur, with the bat things get more agile and defeat the zombies will be easier. Be careful because that the bat can break!

Holy Water

Researches has found that holy water causes a great itching in zombies and cause their his conversion, so their stop hunting humans and attack any another.

Popcorn

The popcorn shape confuses the zombies making them think it is small brains. Use to get attention and go undetected to some places.

Water Pistol

I saw in a movie that water hurts aliens. You know what? It hurts the zombies too! Use a water pistol to shot drops of water away. The gun is very fast, so pay attention because the ammunition ends fast.

Blunderbuss

Launches water grenades and causes several damage to the enemies zombies. The Blunderbuss uses a greate amount of water in each shot and also takes longer to load. Be careful because the zombies can attack you while it is loading.

Holy Cannon

Launches holy water grenades and convert the zombies without getting close to them. The Holy Cannon has a great amount of holy water in its tank and it can lanch the grenades at long distance.

Flashlight

With the flashlight you can see better in dark places and also scare away some animals from the darkness. I know that spiders are very afraid of the light, especially those who live in caves. Hahaha, it's in wikipedia!
